CogSci 2026 Sponsorship & Exhibitor Prospectus

Dear Collaborators and Industry Partners,

The Society invites you to support our upcoming conference, **CogSci 2026**, connecting with a worldwide audience in person in Rio de Janeiro, Brazil. We look forward to bringing this international conference to the United States and **develop our growing community of 4000+ members**. We're excited at the prospect of working with industry partners to promote products and services that help and support the field of cognitive science on an **international scale**.

The Annual Meeting of the Cognitive Science Society is the world's premiere annual conference for the interdisciplinary study of cognition. Cognitive Science draws on a broad spectrum of disciplines, topics, and methodologies, including ideas from artificial intelligence, neuroscience, education, psychology, philosophy, linguistics, and anthropology.

Advertise in our digital congress program, be an exhibitor and share your product, or sponsor a portion of the congress to receive extended exposure to the Cognitive Science community.

Your presence at our conference is a much-appreciated demonstration of your support for **CogSci 2026: Cognitive (In)Efficiency**

Sincerely,
The CogSci 2026 Organizing Committee

CogSci 2026 is the 48th Annual Meeting of the Cognitive Science Society, to be held from **July 22 – 25, 2026**, in **Rio de Janeiro**.

This year's conference is being organized under the leadership of the Cognitive Science Society President, Charles Kemp, with support from the Board of Directors and multiple sub-committees.

Program Committee Organizer Co-Chairs:

Gemma Boleda, Universitat Pompeu Fabra / ICREA

Isabelle Dautriche, CNRS / Aix-Marseille Université

Mora Maldonado, Universitat Pompeu Fabra

Carmen Saldana, Universitat de Barcelona

Tiago Torrent, Federal University of Juiz de Fora, CNPq

Who Attends:

The conference draws principal investigators, post-doctoral fellows and graduate students actively engaged in cognitive science as a discipline.

Our **anticipated attendance** is global, including the USA, Canada, Europe, Australia and Asia. Past conferences have drawn **scientists, postdoctoral fellows and students** along with industry and governmental representatives.

Why They Will Attend:

- High quality, well-timed content
- The ability to interact and connect with peers from all over the world

Why Support CogSci 2026?

WHY SUPPORT?

Promote **equity and inclusion** in cognitive science

- Sponsorship funds help support our new [pay what you can](#) membership fee structure (4000+ members), and help keep conference registration costs low

Support **diversity, openness, and innovation**

- The inclusion of affinity groups, formed around shared identities, interests, and goals
- CogSci proceedings are fully Open Access
- We award dissertation & career-stage prizes honoring outstanding scientific contributions

Make participation **global and sustainable**

- The conference structure encourages engagement & participation from all over the globe
- The [CogSci Grove](#) actively helps offset carbon costs of our event
